COSC 120 – Assignment #4
Fall 09

Objective: Write reviews of 4 new computer games while thoroughly testing them.

Your task: There are two parts to this project: the pitch, and testing.

The Pitch: Representatives of each of the games will spend 15 minutes describing their games during class. At the end of the class, you will need to turn in a 2-sentence impression of each pitch and assign the game a letter grade based on the pitch.

Testing: After Thanksgiving, installers for all 4 games will be available to you. You will need to install all of the games and play them during a one-week period. At the end of the period, you will turn in a 500-word review of each game (see www.gamespot.com for examples). Each review should point out the positives and negatives of the game. Additionally, you will turn in 5 suggestions, concerns, or bugs you found while playing the game.

DUE: December 7th, 5pm in the Digital Dropbox.

Rubric:

Pitch analysis: 20 pts (5pts per game)
Reviews: 60 pts (15pts per game)
Suggestions: 20 pts (5pts per game)

Lack of proper spelling/grammar will result in the loss of up to 10 points.
