COSC 120 – Lab #4
A Bit of Fun Before Break

Purpose: Play a game and learn about programming AT THE SAME TIME!

Tasks:

1.) Go to the course website and click on the link for LightBot.

2.) Play LightBot and complete level 11. If you're daring, give level 12 a go as well.

3.) Show Gina that you completed level 11. Wish her a good break.

4.) This lab, while fun, is a prelude to things that we will be covering after break in regards to control of programs.

Things needed: Logic.
